Dear brother Kumar

I thank you for your letters dated 5th July and 27th August 1984 and confirm with gratitude receipt of three parcels in all - one for me, one for my mother and one other larger parcel for the lady and the diabetic. I have since started my drugs and results are excellent. I will send reports at the end of the course. The lady has also started her own. Reports will also be submitted in due course.

There has been a little delay in replying to your mails because of my wife's illness which stemmed from evil spirit attack. I have been battling this case and wish to request for your joining me in prayer and any recommendations of ~~or~~ sacrifices and otherwise will be accepted. She is improving.

About the group here we have been meeting in regular meditation and discussion. We are poised to ~~cooperate~~ to build a strong group of World Brotherhood in this Eastern Area of Nigeria if not in Nigeria as a whole and to this we are drawing a background plan and advise that if it will receive your approval, we shall stand your major centre here.

While other arrangements are being planned out I am anxious that spiritual advice and reading matters can be forwarded to us. This will further help to tie us together and strengthen us.

Once again I thank you for the medicaments sent and would wish to know if any balance is left in my account so that I could place more order when need be.

Yours fraternally

A. N. EKEZIE
