27TH MAY 1996.

Dear Sir,

I am writing this letter to specify that I gave MR C.C. Eburaja of Umudumaka Eziachi, P.O. Box, 887, Orlu, Imo State Nigeria, West-Africa your address with which he wrote you, during which you recommended some drugs when he had acute High pressure of which I have the attack now.

I would like you to send me the specific as soon as possible the following (1) specific for acute High ^{blood} pressure, Two large courses in the form of tablets. 50 U.S. Dollars.

(2) P.M tablet for normalizing Blood pressure and curing accompanying Health complications = Two large courses = 50 U.S. Dollars.

(3) Air mail and registration postage. 10 U.S. Dollars.

Total. 110 U.S. Dollars.

I would like you to send me these drugs as soon as my money gets to you either from my brothers in London or Gabon. I would also like you to include drugs for pains and weakness which I always experience as my work is motor sawing.

As you know sir, I have been dealing with you since 1964, and ever since I have been writing you and even giving your address to people. You should know and bear in mind that two of the people you cured diabetis got their address through me. I am not new in the line, so I would like you to give me immediate attention and consideration.

I have been a good business partner of yours, and I promise to continue being one.

Thanks,

Yours sincerely
Nicholas.
