LETTER OF ENQUIRY

Dear Sir,

With the effectiveness and genuity of your drugs as confirmed by a friend, we then decides to write and enquire of your drugs.

We are young hoemopatic doctors of Nigerian orgin with two years experience in hoemopatic medecine.

With the resarch and test done, It has been proved that some of our drugs are ineffective to some illness and deasses.

With this, your explanation is needed with reference to your drugs and its administrations.

We will also like you to send to us any catalogue or notes that specifies the kind of drugs, its uses and method of administration and price list also needed is your system of delivery. And condition of payment.

Your speedy reply to this letter is needed.

Thanks for your co-operation
